

The Serenata Beach Club MarshView

Marshview renters are eligible to obtain a temporary membership to the Serenata Beach Club, located just ½ mile from the town house. Visit the club's website at <http://www.serenataclub.com> to learn more about the marvelous facilities and activities. The Serenata Club has three huge pools, several dining venues; work out facility and exercise classes; structured activities for children, and much more!

Many of our guests elect to obtain the membership during their stay at Marshview. The large toddler's pool provides a fun play space for little ones, while older children can frolic in the huge family pool. Adults often enjoy swimming laps in the adult pool, followed by a soak in the outdoor ocean front spa.

The dining room serves excellent dinners Tuesday-Sunday and provides a very popular brunch buffet on Sundays. Frequently, special dinners are offered, which are always popular with the entire family. The snack bar by the family pool area serves sandwiches, hot dogs, and hamburgers during the day.

The children's activities director supervises games, contests, and other events for children of all ages. Parents can drop their children off for an hour or two of fun while the adults enjoy the work out room, have lunch at the outdoor bar, or rent a kayak for the afternoon.

Book clubs, running and walking groups, art classes, wine tastings and other activities ensure that Marshview renters have the opportunity to socialize with other members and guests from around the world.

Contact Judy Wren for current fees for weekly and monthly memberships. You will need to obtain application materials and submit the information and fees in advance of your stay at Marshview.
