

Sandpiper's Nest

Pet Agreement

Most pets are welcome at Sandpiper's Nest and we want you and your pet(s) to have a wonderful vacation. In order to protect the house and grounds, abide by Florida laws, and respect the privacy of our neighbors, we do require certain conditions of our renters with pets.

We recommend that you take your pet to the veterinarian for an exam before your trip and obtain a copy of medical and current immunization records. State laws require you to carry these papers with you when you cross state lines, and you will need them if your pet needs veterinary care during your trip.

Your pet should have a flea and tick treatment before you leave home, since fleas and ticks are extremely prevalent in Florida. We also suggest that your pet be groomed and have nails clipped prior to the trip.

Florida law requires that all dogs on the beach be leashed at all times, and that all pet droppings be picked up. Bring your potty bags and be sure to take them to the beach with you.

In consideration of neighbors, we cannot accept dogs that bark. If there are complaints, your pet will have to go to a kennel.

Pets will be considered based on breed, age, and weight. Please complete the information below:
